

MAKE THE UPGRADE HUMAN.

FIRST 90

Federal AI adoption, with people in the plan.

YOUR TEAM HAS QUESTIONS.

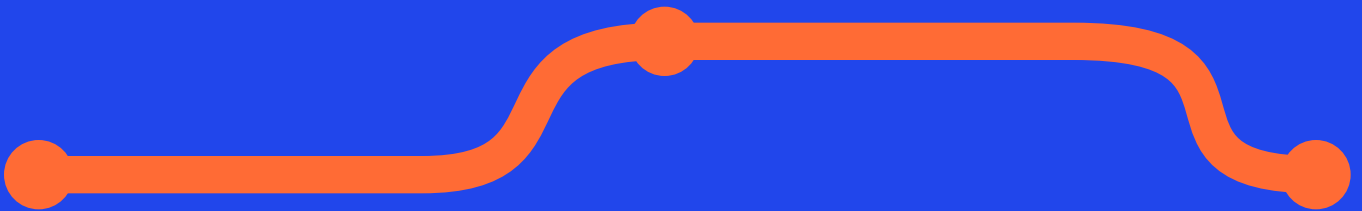

Start with what changes, what is approved,
and where people can get help.

START WITH ONE USEFUL TASK.

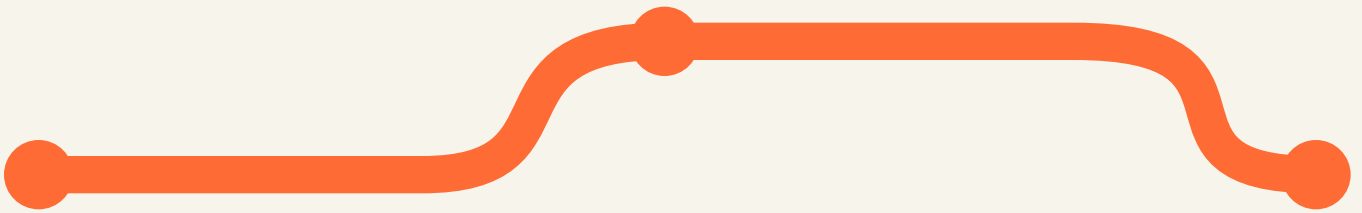

Define the work. Confirm the boundaries.
Make the first practice session count.

PREPARE. PRACTICE. SUSTAIN.

A proposed 90-day rhythm for communications,
manager support, and useful feedback.

MEASURE THE WORK. AND ITS QUALITY.

Track understanding, guided practice,
quality, sustained use, and support needs.

PUT PEOPLE IN THE ROLLOUT PLAN.
